PROFILE

Computer software engineering student seeking an internship in software development. Interested in full-stack web development, programming, and databases, with a background in civil drafting and CAD. Brings attention to detail, problem solving, teamwork, and a willingness to learn through real-world projects.

TECHNICAL SKILLS

Development: JavaScript, React.js, Node.js, C# / .NET, Python, Java, PHP
Databases: MySQL, SQL Server, MongoDB
Data and technical tools: Power BI, IBM SPSS Statistics, Microsoft Excel, CAD / CADD; computer networks

SOFTWARE PROJECTS

Clothing E-Commerce Platform

React / Node.js / MongoDB
Built an e-commerce website with product management, a shopping cart, and payment integration.

.NET Pre-Booking Application

C# / .NET / SQL Server
Developed a pre-booking system with user authentication, booking management, and an admin panel.

Food Ordering System

React / Node.js / MySQL
Developed a food ordering web application with menu management, a cart, and order tracking.

EDUCATION

HND in Computer Software Engineering | 2025-2027 (ongoing)

ESOFT Metro Campus, Sri Lanka
Currently studying software engineering with a focus on full-stack development.

Civil Drafting and Civil Engineering CAD/CADD Diploma | 2023-2025

Department of Technical Education & Training, Sri Lanka | Merit
Studies included technical and construction drawings, surveying, levelling, and quantity-related work.

G.C.E. Advanced Level - Physical Science | 2023 (2024)

BT/Thuraineelavanai Maha Vidyalaya | Three S passes

PRACTICAL EXPERIENCE AND CERTIFICATION

Drafting / CAD Trainee - Academic and Diploma Projects | 2023-2025

Prepared construction and building service drawings and bills of quantities, with practical experience in technical drawing, surveying, and levelling.

NVQ Level 4 - Draughtsperson | Effective 23 February 2026

Department of Technical Education & Training / TVEC, Sri Lanka

LANGUAGES AND STRENGTHS

Tamil and English | Problem solving, communication, teamwork, time management, leadership, adaptability, and research
